## A Proven Solution

### A Proven Solution

PowerSchool is the leading and fastest growing student information system (SIS) available today, supporting nearly 10 million students in all 50 states and over 65 foreign countries. Last year, more schools and districts selected PowerSchool than any other SIS product on the market. Today, PowerSchool supports a wide range of implementations – including schools as small as 25 students, districts as large as 80,000 students, and statewide deployments.

### Impact to Student Achievement

The deep functions of PowerSchool allow today's educators to make real-time decisions about each student, while creating a collaborative environment for parents, teachers and students to work together to prepare students for the future. Access to real-time information allows student performance to be addressed in a timely manner.

### Easy to Learn, Easy to Use

By leveraging the latest web technologies and evolving web design standards, PowerSchool presents users with a clean interface that is easy to learn, and easy to use. With over a decade of experience as a completely web-based system, PowerSchool stands alone as the deepest and most flexible SIS available to meet the needs of K-12 districts. Through SIF® Compliance, an open platform, and the ability to share enhancements with other users, PowerSchool allows each customer to easily tailor the best solution for their needs.

### Core Transcripts

Core Transcripts is a comprehensive, student-athlete eligibility tracker that integrates seamlessly with PowerSchool. Our web-based service auto-calculates each student's Core GPA and all other NCAA Clearinghouse eligibility requirements.

#### For Athletic Departments:

- Report status on all criteria for In-Season Eligibility
- Ensures compliance with rules for transfer athletes
- Provides easy access to all athletic staff and compiles reports on medical, academic, pay-to-participate, attendance, age data and much more
- Demonstrate compliance with Concussion Legislation

#### For Guidance Counselor Departments:

- Save hours of tedious and error-prone clearinghouse eligibility tracking. Just import your school's data and Core Transcripts performs all necessary calculations related to Core GPAs.
- Keep student-athletes on track when scheduling their core courses. Quickly view a student's course progress from within the Core Transcripts web site.
- Provide your student-athlete with the best opportunity to receive an athletic scholarship by tracking their Core GPA, test scores and course progress throughout their high school years.

With Core Transcripts and PowerSchool, athletic and guidance staff will always have confidence in making decisions regarding student-athlete eligibility. Core Transcripts delivers accurate, secure information that creates eligibility safeguards for school districts and their students.

## About Pearson

As the industry leader in SIS and performance solutions, Pearson offers schools and districts access to deep expertise and an unparalleled selection of technologies that address the challenges of achievement, reporting, growth, and scalability. Our student information systems enable schools and districts to leverage technology to ease reporting burdens, open up lines of communication and simplify internal processes, such as scheduling and grading.

We believe that providing today's schools and districts with a choice of flexible, interoperable, and customizable technology solutions is critical to establishing the infrastructure needed to power performance across all stakeholder groups, be it schools, districts, administrators, teachers, or students.

## About Core Transcripts

Established in 2008 Core Transcripts is a product of Vindexis, a technology based company focused on delivering the most complete and applicable solutions for athletic programs.

With high school athletics continuing to increase in popularity and level of competitiveness, safe guarding eligibility for schools, teams, and individuals has received more focus. Until now a comprehensive system did not exist to address eligibility. Core Transcripts meets this need.

Core Transcripts supports districts in their commitment to integrity and academic excellence in student athletics.
